

Hamilton Division.

Never Defeated—Why we win
Wholesale Salvation—Floods
and Flames of Holy Fire
Descend.

There are two things that Salvationists base on: the devil, the other is the angelic host, but on Saturday last very much of the latter was compelled to disengage any comrades at all.

The Victoria Jubilee
On Saturday the devil's army was working when people get into a dump.

Down in the dumps
has as a rule, we manage to keep out of such a mess as that, by understanding the happy art of smiling at our own and dimly upon him.

Disappointment
Difficulty and the devil

generally march hand in hand, and while our comrades were disappointed, I was in difficulty at Port Dover, last, but for the Officers, and for a happy, at the time that I ought to have been flying away in the morning with the forces who had arrived on the battle field from Simcoe and Port Dover. "Well, not to be beaten" said our comrades as they camped round the village and then commenced the campaign on the beautiful little hill. "We'll get some in time for a work, either."

By hook or by crook
determined my friend and I, while our **Spirited little nacker** robed us along through sand and slush. They are pleading away when we arrive, we feel quite free and away we go with.

Salvation Spirit and song.
We have a nice little time after all, and it is the devil's turn to be not only disappointed, but defeated, for we have won on Saturday, then sped away to the Simcoe Anniversary attack where next morning we again, by getting.

One precious soul
saved before breakfast, praise God! Victory is ours too in the Holiness meeting, God gives it, and He has the glory, as twenty-six of our brothers and sisters crowd round His feet, leave their sins there, and bid their souls in.

His precious Blood
Afternoon and night come stream down as the Spirit fastens the truth in many hearts, in my soul out as if afraid they would have to get saved if they stopped, while others

Looked and loitered
bishops, could not leave, and would not yield. Monday morning the ground in the City square for prayer and a meal, we got baptised. Afternoon holiness fire our souls and was the theme of our efforts. Evening we praised God for the victories through the year, and at the

All night with the Master.
we give ourselves to Him for greater victories than ever during the coming year.

Waves of power and blessing
dashed over us, many were some devoted, others laughed, could not help it as they were laughing happily everybody got blessed, and rejoiced, and at 1:30 p.m. arrived and we rushed off to catch the train, to defeat the foe with pen and ink. God bless Simcoe and the war in Division upon your fighting comrades.

J. E. MANORRE A.D.O.

Lindsay.
Victory through the Blood of Jesus, says the Lindsay news-stand still. They say we don't stand of course we don't, we are always on the go.

One precious soul
for the week.
Capt. Tom Scott

Port Perry.
THE LORD SHALL HAVE THE VICTORY.
Since our last report our brethren have been called to rejoice over Jesus.

Four precious souls
lay down their arms of rebellion. In one of our afternoon prayer meetings, this was the result.

Our dear sister saved.
We have a devoted the meeting was held at the home of a dear sister, and she was saved. We have a dear sister, and she was saved. We have a dear sister, and she was saved.

THE LORD SHALL HAVE THE VICTORY.
Since our last report our brethren have been called to rejoice over Jesus.

SARNIA.

Glory to God! Good meetings all week, and Soldiers getting saved, and more determined than ever. Friday's Holiness meeting grand: six of our comrades in for more power, and praise God, they were not disappointed. Sunday meetings good all day, in the afternoon

One soul
fellowed to sin and the devil, and came over on the Lord's side. Sunday meeting grand.
Capt. O'Leary.

PICTON.
Praise the Lord! The Holy Ghost has been at work cleansing and sanctifying the hearts of Soldiers and Christians in this place. Hardly a week passes but what we see precious men and women, who were once Lord-barked sinners, turning to the Lord and renouncing their evil ways and superstitions of demons and coming out real holy Soldiers of the Cross, willing to march or do anything for Jesus. Hallelujah! Oh, Lord, keep us marching on.
Capt. Armstrong.

NEWCASTLE.
We can praise God for victory through the Blood. We have been in the open air again this past week, and holding cottage meetings, which have been great blessings to our souls. On Saturday, one young man who had been for a long time, reading the scriptures of the Spirit, came to Jesus and laid down the arms of rebellion, and has taken up arms to fight against sin. We give God all the glory.
Lieut. Beaver.

SHANNONVILLE.
The devil has been using every weapon here to stay us, but our two-edged sword the sword of the Spirit was too sharp for him, we have proved it a real good weapon to use in a hot encounter and by using it well, we can say that we are still alive to God, and about victory through the Blood, if we have on the breastplate of righteousness we can stand all his fiery darts. God is blessing us here in the discomfiture of a pure religion. There is a few of us in this little village that enjoy little holiness, and have no compromise with the world, the flesh or the devil, and by experience in serving God we are nothing but holiness for the people, or hell, nothing more nothing less, therefore holiness to the Lord is our motto, and the world for God is our little cry.
Capt. Vance.

Cambrai.
I have been out this week with our comrades at Cambrai. Wednesday night good meetings. On Saturday night arriving there a little late, finding our comrades on the march trying to bring the wilderness in. We went into the barracks and we recommended our dear Saviour to the people. Sunday holiness meeting Jesus was with us.

Two out for cleansing
At night wonderful conviction all over the barracks, some falling their need of a Saviour, but none would come.
Lieut. Godfrey.

Blythe.
VICTORY OVER THE DEVIL. HALLELUJAH!
Glory to God on high! The forces of the devil had to give way, leaving their dead behind them. We captured two of them and brought them to our Lord who healed their wounds. On Sunday we met at our barracks, when our great commander arrived out our ammunition in a most wonderful way, and we then went into the barracks for the fight, pouring volley after volley into their ranks, and at last, we gave a great shout of victory when we saw one of the enemy's soldiers lay down his arms of rebellion, and come out for pardon, making

Three for the week,
and one baptised. Praise God our king be all the glory.
Capt. Torrance.

Hespeller.
Praise God we are still pushing forward, and the old ones sleeping. Two more who wanted to go to glory. Salvation is getting better all the way, glory to God they are coming up at a time. Of course the devil's mind, but then we are glad and so are the Blood-washed sinners. Hallelujah!
Capt. Farnsworth.

Bronte.
Another week of victory, Hallelujah! Four more killed, and we are still pushing forward. Sunday we had a glorious meeting, and we were saved. We were saved. We were saved.

Waterdown.
On Thursday night we had a powerful prayer meeting, when an old lady, dedicated her house unto the Lord of Hosts, and

One precious soul
came to his Father to seek pardon for the past, and of course, our Saviour and him from his sin. Bless God forever.

'TIS THE ARMY!

Original for the War Cry.
By Sister, HARRY, Stanbury.

Tune— "I'm glad I'm in this Army."
What Army?—harkoning marching on the sea.

There is no sword or musket in any Soldier's hand.
Yet never morning sunshine alone on a beaver band,
'Tis the Army marching on.

CHORUS.
Oh! I'm glad I'm in this Army,
Yes, I'm glad I'm in this Army,
And I'll battle for the Lord,
For the Saviour is our Captain, we'll conquer all the world.

They fight with bigger weapons than were ever forged of steel.
Before their ranks mounted the hosts of ever real.
Arranged in truly bright armor that terror can't they feel,
'Tis the Army marching on.

Let them kneel upon the world's field,
And pledge with one accord
Their loyalty to their leader, obedience to His word.
And the Army of Salvation be the Army of the Lord.
'Tis the Army marching on.

Campbellford.
This little band is still marching along although not so fast as we would like to see it, praise God for a few Soldiers that are willing to march or do anything for Jesus in spite of the old devil that tries to hinder. Praise God during the past week we have seen

Two precious souls
and one poor backslider running to the precincts of holiness and getting cleansed, and made happy in a Saviour's love, bettering for great victories.
Capt. Louie Ogilvie.

for their King. This week, many more seriously wounded. Look out for our next report.
Capt. Goodall.

UXBRIDGE.
Many driven back and
Nine prisoners taken.

The past two weeks have been one of real fighting, but we held our ground from the first, and, praise God, victory has come on the side of King Jesus. We find that the Uxbridge Soldiers are made of good stuff and determined to win. We have been pouring the Gospel shell into the enemy's camp and we could see its effects. We kept law at Jesus foot trusting Him for all, feeling sure if we were true to Him we should win. Sunday's meeting was one of power. Kneel drill was a baptism of power and fire, in our Holiness meeting we promised God to be true, the glory came in showers. Afternoon was grand.

One precious soul
returned to God. Evening was one of great conviction and power from the first, and at the close we found

Eight precious souls
trusting God, and Soldiers jumping for joy. May God keep us all true, is my prayer.
Capt. Lewis.

BOMBARDMENT

BLOOMFIELD.
The people in the afternoon as we told them of Jesus and His love, some sat in their seats and wept on account of sin. Night comes the crowning time, as we lift up the bleeding victim of Calvary, many hearts were touched and felt their need of Him, and we are believing for them to come soon.
Capt. Alf. Armstrong.

Chaweken.
Glory Hallelujah! Sinners still coming to Christ.

Ten precious souls
since last report. The devil has got us around out of Council House, but the Lord got us the fair ground building, and we are swarming on to victory with King Jesus to the front, the soldiers all on fire for Christ.
Lieut. Wallwood.

Kingston.
JESUS STILL REIGNS
And draws all kinds of men and women to Himself. Our hearts have rejoiced this week over seeing His power manifest in the Salvation of

Eight precious souls.
Some of these had been holding out against Him for a long time, but could do it no more, but cried
Nay, but I yield, I yield.
I can hold out no longer.
I sink by dying low compelled,
And own Thee conqueror.
On Thursday night we had a married couple meeting which was grand, and so said everybody, as men and wife testified to the power of God to turn hearts, which were once little balls through drunkenness and sin, into little heavens, and now, instead of being drunk, they sang praises to God; instead of swearing, was praying; instead of bad tempers, perfect love. Glory to God!
Capt. Spooner.

Palmero.
Good meetings, very conviction. God has been with us in great power, bless His dear Name, we have proved that Jesus lifted down the crowd, so we don't have to surrender but keep on fighting and win this place for King Jesus, glory to His Name forever.
Lieut. Bears.

Wiarion.
Thank God for another week of victory over the devil. On Monday night we had a real good time, our souls were rejoiced in going out dinner laying down his arms of rebellion and coming over on the Lord's side. Good meeting all the week. Friday night holiness meeting grand, we all consecrated ourselves to God, we all fixed beyonds and strength.

Speak Saviour speak obey These I will ever.
Good meetings all day on Sunday, we rejoiced in our holiness meetings, and two backsliders coming back to Jesus. Closed the week with

One precious soul
and two backsliders.
Capt. Lindsay.

Onondago.
The old devil has been bent again (Fire a volley!) We can thank God for the way He has been working among the people in the past week, glory to His name. Thursday night was one long to be remembered. One dear brother, who he could stand it no longer, God had made him so miserable day and night on account of his sin, he came to the dear Master and told Him all about it, and just like dear Jesus He took him in, and he was saved. He has been trying to drive away the converting Spirit of God by drink, but he could not do it, and he had to come and get saved, we are believing for a grand smash up in his camp (the devil).

One precious soul
came to his Father to seek pardon for the past, and of course, our Saviour and him from his sin. Bless God forever.
Capt. Jeter.

Burlington.
We are having good open-air meetings here, and we are getting filled with Holy Ghost fire.

One precious soul
allowed us into our quarters on Saturday night and saved his house from the enemy. On Sunday and helped us to labor for others. Our Sunday morning holiness meeting was a heart searching time, and every one present testified to having received a definite blessing. We expect to have a bell in a week or two, but are determined to push the battle if we have to hold our meetings in the open-air all summer.
Capt. Shankland.

DON'T FORGET 12:30 PRAYER.

Ayr.
We have been asking for precious souls and hallelujah! two hours burdened souls came, and He did not cast them out. Soldiers are getting saved higher, and now can sing.
Now I'm saved and very happy.
God grant that many more will soon come and learn the new song, even praise to our King.
Capt. Cowan.

Petrolia.
Victory through the Blood of Jesus.

Saturday and Sunday was a grand time, four out for cleansing, and promised God to follow all the way. Staff Capt. Woolley A.D.O. and Mrs. Woolley were with us. Jesus was here, glorious time, hearts full, best of order, Soldiers happy, sinners convicted, Bless God.
Capt. Hunt.

Stayner.
Monday, Jubilee, with A.D.O. Eades and other Officers present. "A real blessed time."
Tuesday. A grand Salvation meeting—ten backsliders reclaimed—a great shout in the camp.
Wednesday. A God glorifying time, and two more.
Thursday. Important business meeting.
Friday. Grand waves of power and glory.
Saturday. The devil howling.
Sunday. Grand showers of blessing—sinners trembling and weeping in their coats.
We ended the week with
Twelve Backsliders.
Lieut. Andrews.

Prescott.
GLORY HALLELUJAH!
Has we are yet, not dead? not nor sleeping either, praise God, and although the way is rough, the fighting long, in the strength of Jesus our Captain we will gain the day. Although it will need a big fight to knock the devil down in this town, for he seems to have fallen away here, but we mean to bring his subjects to the bleeding feet of Jesus, prayer and faith shall bring the victory, and praise God for

One precious soul
who came weeping to Calvary and got gloriously saved, glory be to Jesus forever. We do thank Him for the wonderful meetings He gives us. His strength is felt in every soul. His strength is made perfect in weakness, won't we fight you we will! All Gabriel sounds in triumph in the morning.
